What a difference a couple of months makes!!! We have filled out all the appropriate paper work and are set to run a competition in June, Hooray. Entries will be up on Nominate shortly. It will run a little differently to our normal competitions to minimize the amount of time on the ground and encourage good social distancing.

Competitors will only be able to enter a level and ride the two tests at that level. This way most tests can be scheduled back to back. Competitors will be able to arrive, ride their two tests and leave thereby minimizing the amount of time on the ground.

- We will have to limit it to 40 riders on the day so the event will be filled on a first come first served bases.
- No Spectators or non-competing riders (ie bringing your horse out for familiarization)
- You will be able to bring one support person but they must be nominated on the entry form with contact info.
- All signing in will be done electronically either via the live scoring app or text to the office.
- Tests will be emailed out to you as per usual.
- There will be no presentation or collection of rosettes.
- There will be no catering.

The other piece of **exciting news** is that we were successful in the latest round on volunteers grants. This is a federal grant programme and we would like to thank our local federal MP Tony Pasin for his support of our club. We will be able to purchase more tablets for our live scoring programme which is fantastic news.

Happy Riding and we will see you out there
MCDC Committee

We would like to take this opportunity to thank our membership, volunteers, sponsors and the broader equine community for their continued support and emphasise that as you have supported us, we look to support you. MCDC is committed to the safety of its members and competitor community. After very careful consideration the committee made the very difficult decision to postpone all our events (competitions and training days) for March, April and May.

This decision meant that the 2020 Evolution Animal Care SA State Dressage Championships had to be cancelled. We have been in contact with the sponsors and it was heartening in these trying times to hear that most are willing to stay on board for a rescheduled event.

At the Dawn and Dusk Competition in 2019 February the club was presented with a cheque to facilitate the installation of lights at our grounds. A year later we were able to run our first competition under the new lights.

We couldn't have asked for a better day as it dawned with a awesome sunrise and ended with a glorious sunset and full moon. It made for an impressive sight as the horses performed beautifully under the lights. From Young Horse to FEI and everything in between it was a long but satisfying day. It is a unique atmosphere for dressage in South Australia to compete under lights. We had a well patronised Trade Fair with Mighty Farm Equine Supplies at-

tracting a steady stream of customers. Thank you Emma Woolman for once again being the official photographer for the event, the photos you supplied are awesome. You took some fantastic shots at both sessions of the competition.
