From The Committee

It was definitely spring weather for our charity competition this year as I'm sure we had four seasons in one day!! Thankyou to every one who donated to this very worth cause, the finally tally raised \$1150.

Congratulations to the winners of the parade of colour

We have a exciting line up of interesting competitions for the last 3 months of the year as we count down towards Christmas.

**THOROUGH
CARE SA**

We kick them off with our October 23rd competition with the AGM being run at the conclusion of the day's competition. This competition is the first of our three part series for Off the Track Thoroughbreds sponsored by **Thorough Care SA**. We will also be hosting the SPPHASA State Dressage Champs as well as a Fun, Come and Try Day with different forms of dressage tests – Pairs, Prix Caprilli, In-hand as well as some regular classes. Copies of the relevant tests will be available on our website.

This is also the club's AGM, so we are looking for committee members with strong computing skills to join our very friendly team. Nomination forms have been sent out and are due back by no later than 8 October 2021.

November 27 is a HOTY competition and Young horse/pony classes for the competitive riders. We have booked flights for Kerrie Swan-Bates from Tasmania. Kerrie is an FEI 3* and A-level judge. She is also both an FEI and EA Young horse judge. Not to mention judge educator and mentor. Fingers crossed she will be able to come into the state to judge our FEI and YH classes. This competition is the second OTT comp in the series and has CUR tests.

We will round the year off with round off with our final competitive competition for the year in the **afternoon** of December 11 flowing into the CUR/Freestyle Twilight Competition in the evening concluding under lights.

Training Days

Given the wet winter we experienced this year, no Training Day was organised for August. The next Training Day will be on 25th September with Greg Trembath. Greg is offering both Flatwork and Groundwork lessons, and we are also inviting young/unbroken horses to attend, in preparation for the In-Hand Dressage Competition in October. We have booked Naomi Mashford for the 16th October Training Day and Lucy Williams is back again on 20th November. We will also have an Open Arena Day on 20th November as well. In December, we are looking at having a Dressage Critique Day on 4th December.

Mt Crawford will once again be hosting the State Championships in 2022 on April 9-10 and we are now looking for sponsors for the event,. So if you have anyone in mind please let us know.

Happy Riding

If you have elected to fulfil your helper day and are unable to for whatever reason please let us know asap so we can find a replacement, and choose another day you would like to help at. The Peppermint Trophy was donated by Tori Watkin, to be awarded to a club member who goes above and beyond their helper day requirements. Committee members nominate club members after each competition and a winner is chosen at the end of the year. So far this year the nominees are Jen Benson for January, February, March and April, Nanon and Alana Moljic for May 8th and Hayley Rumbold for April and May.

Well done everyone and keep up the good work.

A reminder to riders that while we are being COVID safe it is a requirement that you check in to **BOTH** the SA Gov QR code and the Nominate app. The SA Gov app is for COVID tracing purposes and the Nominate app is to let the office know you are on the grounds and check in. Checking-In can also be done, in person at the office or via a text message to the number provided on the draw. Failure to do so in future may incur elimination.

It has come to our attention that there are several large holes in the float parking area, which makes it not only rough for driving but also dangerous as somebody, be it horse or human, could trip and potentially fall. Work has been carried out to rectify this but we do ask that if your horse digs at the float to please fill in the hole before you leave. At all our competitions there is a shovel provided to fill in holes, just pop down to the office to borrow it.

There is also evidence of litter being left on the ground, which is unacceptable as somebody has to pick it up. We are all volunteers and our groundsman has better things to do than clean up other people's rubbish. We will endeavour to place a bin in the float park, otherwise please take your rubbish home rather than throw it on the ground. We do realise that not everybody does this and we do not want to have to take the step of patrolling the car park to find the offenders. We also take this opportunity to remind you all that the MCDC grounds are strictly NO SMOKING.
